## 2019-2020 School Supply List

If a class supply list is not provided, the teacher will distribute information the first week of school. Please retain a copy of all receipts for purchases, and pay attention to exchange/return policies for major purchases. We work each year to provide parents opportunities to take advantage of tax-free dates; therefore, the deadline for purchasing all school supplies is **Friday, August 9, 2019**. Select specialty area teachers have requested a later date for supplies as listed in the supply information provided. Please communicate hardship matters to teachers in addition to the timeframe supplies will be purchased.
